NEW SERVICE: Population Sustainability

– ZIMS 1.6 (just released) includes a current one-page graphical status overview for any of the 13,000 species in ISIS, showing population trends, age structure, data quality, etc.

- For any species, studbook or not.
- For the total ISIS world, or a chosen continent, association, or country.
- Current to now, instead of the typically 2-3 years out of date studbook.
- Takes about 15 seconds, instead of hours and hours of work.
- For TAGs, population managers, studbook keepers, association staff.

Population Overview Report
